FOREWORD

This is the nineteenth annual edition of the Proceedings of the Social Statistics Section of the American Statistical Association.

This 1976 issue is in two volumes and includes nearly all of the papers and discussions that were presented in the sessions sponsored by the Social Statistics Section at the Annual Meeting of the American Statistical Association in Boston, August 23-26, 1976. The pages in these volumes are photographic reproductions of standard-format typescripts provided by the authors. Their specific contents have been edited only by the authors, and may be in a form preliminary to formal publication elsewhere.

The Chairman of the Joint Program Committee for the 1976 Annual Meeting was Jean D. Gibbons. Robert Parke, Vice Chairman of the Social Statistics Section, served as a member of the Program Committee and was responsible for developing the program of sessions sponsored by the Social Statistics Section. Acknowledgment is due to the participants in the sessions for their cooperation in providing the materials and to the ASA office staff for its work in compiling and arranging for the printing.
